

On behalf of *Pentathlon GB North* I would like to welcome you to the club and provide you with some information about our activities.

The club provides opportunities for young people between the ages of 8 and 88 to receive coaching and competition support in *Modern Pentathlon*. All coaching is by qualified coaches who are trained and have been screened for their suitability for working with young people.

The club is presently applying for Sport England's Clubmark, which is awarded to clubs when the club is able to demonstrate that it meets the *NGBs* criteria as to playing programme; safeguarding and protecting children; sports equity and ethics and club management. Clubmark is an acknowledgement that we take these issues seriously and that we are striving to provide a high quality and welcoming environment for young participants in the sport. Our club Welfare Officer, *Linda Richardson*, is responsible for ensuring that our child protection policy is implemented, and can be contacted on *07842 821854* should you have any concerns.

We also welcome parents to all training and competitions and value your support and involvement in the club. We would like to invite you to contact us and we can arrange where you can meet club members and find out more about the club. .

Training sessions are listed *on the enclosed training times schedule* .

The cost of each training session is *determined by the individual disciplines club*

Pentathlon GB North has no membership fee and you are free to join if you are not a member of an affiliated Pentathlon club

For the safety of all athletes it is important that the club is informed of any medical condition or allergies that may be relevant, while at the club.

If you would like to talk to someone at the club about this information or your involvement with the club, please contact John Richardson on *07501125225*

We forward to meeting you at some point in the future.
